

From: The Chairman

To: All Benton County Republicans

As the new Chairman of the Benton County Republican Party, I want to wish you all a Merry Christmas, Happy Holidays, and a Happy New Year. Thank you for your continued support. Despite current local election results, I am optimistic about our future. We have become the party of common sense for the working person and disenfranchised. We have a strong base of 14,000 Republican voters, and we need your help to reach and educate more citizens on conservative values.

I'm asking each of you to consider donating \$5 a month—the cost of a cup of coffee—for the next two years. This would raise \$1.8 million to fund educational campaigns, podcasts, and TV ads to educate our citizens on laws, policies, our values, and candidates. These efforts will promote conservative principles, expose poor policies, and present an optimistic alternative future.

We need to unite the 14,000 voters who supported us and reach out to more. Please forward this message to other conservatives, introduce them to me, or invite me to meet over coffee. If you can, help us visit door-to-door to spread our message. Your contributions, big or small, are crucial for our cause. Donations can be tax-deductible up to \$50 for individuals and \$100 for joint filers.

Thank you for your support and may you and your families have a peaceful holiday season. I am looking forward to meeting every one of you. As we move forward, please feel free to reach out to me at any time with questions, suggestions, or to help us.

Warmest Regards,

Keith Lembke
